The main objectives of the company are to manufacturing of various types of soft toys, ready made garments and accessories etc. Golden Son Limited holds 40 percent shares in this company.

1.2 Basis Of Consolidation

The financial statements of the company and its subsidiary have been consolidated in accordance with International Financial Reporting Standard (IFRS) 10: 'Consolidated Financial Statements'. The consolidation of the financial statements has been prepared by using uniform accounting policies and after eliminating all material intra group balances, income and expenses arising from intra-group transactions.

All assets and liabilities of the company and of its subsidiary are shown in the consolidated Statement of Financial Position. The interest of minority shareholders of the subsidiary are shown separately in the consolidated Statement of Financial Position under the head 'Non-controlling Interest'.

An associate is an entity in which the Company has significant influence and which is neither a subsidiary nor a joint venture. The Company's investment in associates is accounted for in the financial statements using the Equity Method in accordance with International Accounting Standard 28: Accounting for investment in associates. Such investments are classified as other assets in the balance sheet and the share of profit/ loss of such investment is classified under other operating income in the profit and loss account.

1.3 Basis of Measurement

The financial statements of the company have been prepared on the historical cost convention method.

1.4 Property, Plant & Equipment

These are recognized initially at cost and subsequently at cost and revalued amount less accumulated depreciation in compliance with IAS-16: Property, Plant and Equipment. The cost of acquisition of an asset comprises its purchase price and any direct attributable cost of bringing the assets to its working condition for its intended use. Expenditure incurred after the assets have been put into use, such as repairs and maintenance is normally charged off as revenue expenditure in the period in which it is incurred. In situation where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefit expected to be obtained from the assets, the expenditure is capitalized as an additional cost of the assets.

Depreciation

Depreciation is recognized in the statement of profit or loss and other comprehensive income using 'Reducing Balance Method' over the estimated useful lives of each fixed assets. Depreciation is charged on addition to fixed assets purchased during the period from the date when such assets is put in to use. Depreciation is allocated as 70% as production expenses and 30% as administrative expenses. The rate(s) of depreciation varies from 5% to 20% p.a. based on useful lives and nature of the assets.

1.5 Capital Work in Progress

Capital work in progress is reported on the basis of the construction company report. No depreciation is charged for Capital Work in Progress. During the period no impairment has been observed till the end of the period as per IAS 36.

1.6 Accounting for Borrowing Cost

Borrowing costs relating to construction of building is capitalized as part of the cost of that asset during the period in accordance with International Accounting Standards - 23: Borrowing Costs.

1.7 Valuation of Inventory

Inventories are valued in accordance with International Accounting Standards-2: Inventories i.e. at cost and estimated net realizable value whichever is lower. The cost of inventories is valued at first in first out (FIFO) cost method and includes expenditure for acquiring the inventories and bringing them to their existing location and condition. Net realizable value is estimated upon selling price in the ordinary course of business less estimated cost of completion of considering the selling. When the inventories are used, the carrying amount of those inventories are recognized in the period in which the related revenue is recognized.

1.8 Advances, Deposits and Prepayments

Advances are initially measured at cost. After initial recognition advances are carried at cost less deductions or adjustments. Deposits are measured at payment value. Prepayments are initially measured at cost. After initial recognition prepayments are carried at cost less charges to statement of profit or loss and other comprehensive income.

1.9 Cash and Cash Equivalents

Cash and Cash Equivalents comprise cash in hand, bank current accounts, other bank deposits free of encumbrance and having maturity dates of three months or less from respective dates of deposit.

1.10 Income Tax

Income tax expense comprises current and deferred tax. Income tax expense is recognized in the statement of profit or loss and other comprehensive income.

Current Tax

The company is a publicly traded company. As per the Income Tax Ordinance, 1984, provision for tax has been made at the existing rate of 20% in respect of business income.

Deferred Tax

Deferred tax liabilities are the amount of income taxes payable in future years in respect of taxable temporary differences. Deferred tax assets are the amount of income taxes recoverable in future years in respect of deductible temporary differences. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences arising between the carrying values of assets, liabilities, income and expenditure and their respective tax bases. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or subsequently enacted at the reporting date. The impact on the account of changes in the deferred tax assets and liabilities for the year ended 31 December 2022 has been recognized in the statement of profit or loss and other comprehensive income as per IAS-12 "Income Taxes"

1.11 Foreign Currency Transaction

Foreign currency transactions are translated into Bangladesh Taka using exchange rates prevailing on the transaction dates. Monetary assets and liabilities in foreign currency at the Statement of Financial Position date are translated at the closing rate.

1.12 Revenue

In compliance with the requirements of IAS - 18 Revenue, revenue is recognized only when :

- i. The products are invoiced and dispatched to the customers.
- ii. Interest income is accrued on a time basis by reference to the principal outstanding at the effective interest rate applicable.

1.13 Financial Expenses

Financial expenses comprise of interest expense on long term loan, short term loan and finance lease. All such costs are recognized in the Statement of profit or loss and other comprehensive income except those are capitalized in accordance with IAS - 23: Borrowing Cost.

1.14 Earnings Per Share

The company calculates Earning per Share (EPS) in accordance with IAS-33 "Earning Per Share" which has been shown on the face of the Statement of profit or loss and other comprehensive income.

1.15 Application of International Accounting Standards (IASs) & International Financial Reporting Standards (IFRSs) :
