**Independent Auditors' Report  
To the Shareholders of Golden Son Limited  
Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of **Golden Son Limited** (the Company), which comprise the Statement of Financial Position as at June 30, 2025. Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements including a summary of significant accounting policies and other explanatory information disclosed in notes 1 to 40 and Schedule A & B.

In our opinion the accompanying financial statements presents fairly, in all material respects, the financial position of the company as of June 30, 2025, and of its financial performance and its cash flows for the year then ended in accordance with International Accounting Standards(IASs), International Financial Reporting Standards(IFRSs) and other applicable laws and regulations.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of matter**

**Unclaimed/Undistributed Dividend Account (Note 20)**

We draw attention to Note 20 of the financial statements, which states that the Company has an outstanding unclaimed/undistributed dividend balance of Tk. 88,059,886, of which some amounts are being returned to shareholders from time to time. As per BSEC Notification No. BSEC/CMRRCD/2021- 386/03 dated January 14, 2021, any cash or stock dividend or right share that remains unclaimed or undistributed for three (3) years or more is required to be transferred to the Capital Market Stabilization Fund (CMSF). The Company has not yet transferred the remaining unclaimed balance to the CMSF.

**Our key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the financial statements for the year ended on June 30, 2025. These matters were addressed in the context of the audit of the financial statements as a whole and in forming the auditors' opinion thereon and we do not provide a separate opinion on these matters.

We have fulfilled the responsibilities described in the auditors' responsibilities for the audit of the financial statements section of our report, including in relation to these matters.

Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatements of our financial statements, the results of our audit procedures, including the procedures performed to address the matters below;

Key Audit Matters	How our audit addressed the key audit matters
<p><b>Revenue</b></p> <p>At year ended the reported total Turnover Tk. <b>331,822,975</b> There is also a risk that revenue may be overstated/ Understated due to the timing differences.</p> <p>We identified revenue recognition as key audit matter as it is one of the key performance Indicators of the Company, which give rise to an inherent risk of the existence and the accuracy of the revenue.</p>	<p>We have tested the design and operating effectiveness of key controls focusing on the following:</p> <ul style="list-style-type: none"> <li>• Obtaining an understanding of and assessing the design and operating effectiveness of controls designed to ensure that revenue is recognized in the appropriate accounting standards.</li> <li>• Segregation of duties in invoice creation and modification and timing of revenue recognition.</li> <li>• Assessing the appropriateness of the company's accounting policies for revenue recognition and compliance of those policies with applicable accounting standards.</li> <li>• Obtain supporting documentation for sale transaction recorded either side of year-end to determine whether revenue was recognized in the current period.</li> <li>• Comparing a sample of revenue transactions recognized during the year with the sale invoices and other relevant underlying documentation.</li> <li>• Critically assessing manual journals posted to revenue to identify unusual or irregular items, and finally assessed the appropriateness and presentation of disclosures against relevant accounting standards.</li> </ul> <p>We were satisfied that the revenue recognition policies have been applied appropriately. Based on the work performed, we concluded that revenue has been recorded appropriately.</p>
<p><b>Inventories</b></p> <p>As at June 30, 2025, the reported amount of inventories is Tk. <b>1,240,045,566</b> held in plants warehouses. On the reporting date, inventories are carried at the lower of cost and net realizable</p>	<p>We verified the appropriateness of, management's assumptions applied in calculating the value of the inventory as per International Accounting Standard (IAS) by:</p>

value. As such, the companies apply judgment in determining the appropriate values of inventory in accordance with International Accounting Standard (IAS).

Considering the risk as stated above the valuation of Inventory is a key audit matter to the Financial Statements.

- Evaluating the design and implementation of key inventory controls operating across the factory, warehouse.
- We have collected inventory count data sheet and relevant certification of inventories which indicates inventory items were maintained in good condition and maintaining all compliances.
- Reviewing the historical accuracy of inventory provisioning and the level of inventory write-offs during the year.

Obtaining a detailed review with the subsequent sales to compare with the net realizable value.

We were satisfied that the inventory recognition and measurement policies have been applied appropriately. Based on the work performed, we concluded that inventories have been recorded appropriately.

#### Property, Plant and Equipment

The carrying value of the tangible fixed assets is Tk. 2,006,529,205 as at June 30, 2025. The valuation of tangible fixed assets was identified as a key audit matter due to significance of this balance to the Financial Statements.

The costs (Capital in nature) are classified as an asset, if it is probable that the future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.

The useful lives of tangible fixed assets items are based on management's estimates

Our audit included the following procedures:

- We assessed whether the accounting policies in relation to the capitalization of expenditures are in compliance with IFRS and found them to be consistent.
- We obtained a listing of capital expenditures incurred during the year and, on a sample, basis checked whether the items were procured during the year.
- We verified the invoices and L/C documents on sample basis to segregate the capital and operation expenditure and found

regarding the period over which an asset is expected to be available for use. The estimates of the useful life on the experience of the entity with similar assets and also take into a consideration the physical condition of the assets.

that the transactions are appropriately classified.

- We evaluated whether the useful lives determined and applied by management were in line with the nature of assets, the physical condition of the assets and its uses.
- We checked whether the depreciation of tangible fixed assets items was commenced from the date of ready to use and found the depreciation had been started accordingly.

We were satisfied that the property, Plant and equipment recognition and measurement policies have been applied appropriately. Based on the work performed, we concluded that property, plant and equipment have been recorded appropriately.

#### Long Term Loan and Short-Term Borrowings

As at June 30, 2025, the amount of total Long-Term Loan is **Tk. 1,917,238,953** and Short-Term Borrowings is **Tk. 397,162,369** respectively. The company borrowed fund from various bank for the purpose of acquisition of non-current assets and working capital as well.

The company may face difficulties due to unfavorable movement in interest rate & monetary policy that may result in short term and cash flow crisis.

We have tested the design and operating effectiveness of key controls focusing on the following:

- Obtaining an understanding of and assessing the design and operating effectiveness of controls designed to ensure the proper use of loan.
- We verified sanction letter, loan schedule bank statements to confirm the loan outstanding and found that the balance had been reported in the Financial Statements accurately.
- We checked the financial expenses and classification of loan and repayment schedule on a test basis as well.
- We checked the recording date of transactions and found the recording date is in line with the loan disbursement date.

	<p>We were satisfied that; Long Term Loan &amp; Short-Term Loan was recorded properly. Based on the work performed, we concluded that Loan Term Loan &amp; Short-Term Loan have been recorded appropriately.</p>
<b>Trade Receivable</b>	
<p>The total amount of Trade receivable is <b>Tk. 1,355,717,730</b> as at June 30, 2025. There are significant large numbers of individual small customers. Customers in different business segments and jurisdictions are subject to their independent business risk.</p> <p>The increasing challenges over the economy and operating environment in the manufacturing industry during the year have increased the risks of default on receivables from the customers. In particular, in the event of insolvency of customers, the company is exposed to potential risk of financial loss when the customers fail to meet their contractual obligations in accordance with the requirements of the agreements.</p> <p>Accordingly, we identified the recoverability of Receivables as a key audit matter</p> <p>because of the significance of Receivable to Company's Financial Position and because of the significant degree of management judgement involved in evaluating the adequacy of the allowance for doubtful debts.</p>	<p>Our audit procedures of assess the recoverability of trade receivables including the following:</p> <ul style="list-style-type: none"> <li>• Tested the accuracy of aging of Receivables at year end on a sample basis;</li> <li>• Evaluating the Company's policy for making allowance for doubtful debts with reference to the requirements of the prevailing accounting standards;</li> <li>• Assessing the classification of trade receivables in the debtors ageing report by comparison with sales invoice and other underlying documentation on a test basis.</li> <li>• Assessed the recoverability of the debtors on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers and</li> <li>• Inspecting subsequent bank receipts form customers and other relevant underlying documentation relation to trade receivable balance as at June 30, 2025.</li> </ul> <p>We were satisfied that; Trade and other Receivable were recorded properly and assessed with their appropriate recoverability. Based on the work performed, we concluded that Trade and other receivable have been appropriately.</p>
<b>Other Receivable</b>	
<p>We draw attention to Note 9 of the financial statements, which describes that the Company has recognized an insurance claim receivable of BDT 648,275,177 since FY 2020-2021. Up to the date of our audit, the Company has recovered 5.48% of the claim. In the fiscal year 2024-2025 the amount recovered is BDT 55,00,000. Still there is an amount outstanding of BDT 612,775,177. The insurance claim was to Janata Insurance Company Ltd. who have recognized their liability and willing to clear the amount.</p>	<ul style="list-style-type: none"> <li>• Evaluated the Company's basis of recognition</li> <li>• Examined the terms and conditions of the insurance policy</li> <li>• Analyzed the movement and aging of the receivable</li> <li>• Reviewed evidence of amounts recovered to date</li> </ul>

### Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs), the Companies Act 1994, the Securities and Exchange Rules 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994 and the Securities and Exchange Rules 1987 and relevant notifications issues by Bangladesh Securities and Exchange Commission, we also report that:

- We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- In our opinion, proper books of accounts, as records and other statutory books as required by law have been kept by the Company so far as it appeared from our examination of these books;
- The statements of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of accounts and returns; and
- The expenditure incurred was for the purposes of the Company's business.

### **3.25 Risk Exposure**

#### **a) Interest Rate Risk**

The company is exposed to the volatility of interest rate as it has short-term bank loan. Any higher trend in interest rate in the future will definitely in turn of aggravate the adversity.

#### **Management Perception**

The management of Golden Son Limited has decided to minimize short-term loan of all over the period to make the Gearing Ratio at a satisfactory level which is expected to reduce the financial leverage and interest burden significantly.

#### **b) Exchange Rate Risk**

The entity is engaged in global trade as it procures its raw materials from overseas markets. Therefore, fluctuations in the related foreign currency rates may affect adversely to the company's liquidity and profitability and expose a threat to the stability of the company in the near future.

**Management Perception**

Golden Son Limited settles its foreign transaction through United States Currency Dollar in case of both export and import. While the value of functional currency fluctuates, the loss or gain on currency fluctuation for export automatically sets off against the loss or gain on currency fluctuation for import. As the value of export is always voluminous than that of import, some balance is creditably created in the foreign currency transactions. Furthermore, the company is contemplating about setting a system of hedging on foreign currency transactions in the future. An adverse movement in the exchange rate may invite exposures the company into the risks of foreign currency loss.

**c) Industry Risks****i) Market Demand**

The products of Golden Son Limited are sold in International market. Any economic recession, change in tastes and fashions of the consumers, national income and other related factors may cause to decline the market demand of the company products.

**Management Perception**

The management has all out endeavor to high operational targets and always evaluates to its customers' satisfaction and changes in tastes and fashion. Therefore its expert team promptly dedicates their creativity and research work to respond any changes in customers demand and product diversifications.

**ii) Competition**

The Company is operating in a free market economy regime. The company might have to face stiff competition from its competitors in the foreseeable future.

**Management Perception**

Bangladesh is the prime source of cheapest labors in the world, earning comparative advantages for its industries over their global competitors. In addition to that, the management of Golden Son Limited handles their employs efficiencies, expertise and discretions properly to minimize the cost of its products.

**iii) Rising of Raw Materials costs**

The trend of cost of raw materials are rising gradually and drastically round the year. It may deter the profitability of the company to a greater extent.

**Management Perception**

The entity is aware of the continuing market situation of its raw materials. The management of Golden Son Limited believes that long term planning for raw material management, exploring number of global markets, job wise costing for its finished products and trustworthy relations with the suppliers and mitigate the risk of rising of materials cost.

**d) Risks Steaming from Technological Changes:**

Changes in technologies may reduce the cost efficiency of the company.

**Management Perception**

Golden Son Limited applies the latest technology in the production process. The machineries and equipments of the company are also the latest invention in the sector which is imported from renowned manufacturers of the world.

**e) Other risk factors:**

**i) Political Unrest**

Bangladesh is prone to serious unrest in the political condition embraced by Hartal, Road-Block and many other politicized barriers to the business. Due to these factors it would aggravate the cost of the product upwards.

**Management Perception:**

During the last forty eight years of post independence period, Bangladesh has gone through a variety of political situations. But presently, a sound political atmosphere is prevailing in the country. Both the ruling and opposition parties are committed to the betterment of the country. Last democratic national assembly election and local council polls are instances of peaceful political situation in Bangladesh.

**ii) Possible Slowdown in Economic Growth in Bangladesh**

Our performance and growth are dependent on the sound health of the Bangladesh economy. The economy could be adversely affected by various factors such as political or regulatory action, including adverse changes in liberalization policies, social disturbances, terrorist attacks and other acts of violence or war, natural calamities, commodity and energy prices and various other factors. Any significant change may adversely affect our business and economy significantly.

**Management Perception**

Bangladesh economy is booming for last few years. Consistent industrial growth along with increased agricultural production has made the Per Capital Income higher than that of recent years. In addition, favorable government policies and industry friendly policies by other regulatory bodies have proved to be congenial to the economy of the country.

**iii) Natural Calamities**

Bangladesh is a country where recurrent natural calamities take place every year. It is a serious threat to the business as a whole. Recent natural calamity has been stuck whole world from early March 2020 in the name of " COVID-19" Pandemic, there has been health related safety prioritized restrictions on travel, social gathering, meetings and access to resources/sites in some jurisdictions, limitation in providing supporting documents and explanations by the concerned resources of the company. (i) Market risk due to COVID-19 Pandemic that would lead to recession and the (ii) operational risk due to loss of business opportunities and continuation with operational and maintenance overheads. Furthermore, to extend that there are Control deficiencies exists when the design or operation of a control does not allow management to prevent or detect misstatements in a timely manner. Design deficiency occurs when: a requisite control is missing, or an existing control is ineffective because it is not properly designed. The challenges ahead are huge, that would be addressed both by invention and discoveries and also with cognizance to the nature and nurture. Last but not the least, there is always light at the other end of a tunnel.

**Management Perception**

This type of situation is totally beyond the control of human being. Though the management of Golden Son Limited has very little to do with because being an exporter we can not forecast the future situation as the second wave of COVID is going on and several countries enforced lockdown again, we can and should have some precaution measures to minimize the damage of the business in such situations. Regulatory initiatives and stimulus packages are under constant evaluations of the Government to sustain business operations by enhancing the process of attention to loan covenants and lender requirements & Export receivable collection.
