

Director's Report to the Shareholders

Dear Shareholders,

On behalf of the Board of Directors of GSL, I have the pleasure to welcome you all at the 17th Annual General Meeting of the company. We are therefore pleased to submit before you the operational activities and audited financial statements of the company for the year ended on 30th June 2021.

The Directors' Report is prepared in compliance with section 184 of the Companies Act 1994, Bangladesh Securities and Exchange Commission's **Notification No. BSEC/CMRRCD/2006-158/207/Admin/80 dated 3rd June 2018** and other applicable laws and regulations. Relevant disclosures and explanations pertaining to issues to ensure compliance, transparency and good corporate governance practice have been made along with the details of the business performance, operations and achievements of Golden Son Limited for the year 2020-2021.

Principal Activity

The principal activity of the company is to manufacture and sales of 100% export quality Hot Pot, Food Warmer, Fan Components, Baby Toys, Plastic Product, Garments accessories and solar lightings.

Operational Activity

During the year under review production was for TK. 343,505,235 and sales for the year were TK. 775,751,846 as against production & sales of TK. 308,548,443 and TK. 532,195,680 respectively in the previous year. During the year the company earned net Profit of TK. 54,858,132.

Industry Outlook

Continuous price hike of various product variables has narrowed the scope of profitability from our business. In spite of this adverse situation GSL does not compromise with the quality, rather GSL management has changed the strategy to negotiate with the foreign buyers, to focus in the volume business by producing new products and to select and the right target buyers.

Presently, the industry outlook is not good due mainly to change in world market demand from plastic base toy product to synthetic. Also environmental compliance is an important factor for export oriented industries. The compliance of the industry is not accepted by the foreign customers due non-functioning of industrial compliance. Despite all these challenges, GSL will continue to look into its potentials and development options with its business strategy. Corporate image, professionalism and quality product growth with aggressive marketing will be our priority.

Cost of goods sold (cost of sales) is the cost of products sold during the year. COGS include all the costs directly related to getting inventory ready for sales such as: Raw materials (Including duties and taxes), Handling and other cost of converting materials into finished goods.

COGS vary directly with sales and production, the more items we sell or produce, the more stock or components we need to buy. Cost of Goods Sold in 2020-2021 has been increased in comparison to the previous year.

Gross Profit Margin Ratio:

Gross profit is the difference between sales and the cost of goods sold.

Gross Profit = Sales-Cost of Goods Sold

The gross profit margin is one indicator of the financial health of a business. Larger gross profit margins are better for business- the higher the percentage, the more the business retains of each Taka of sales for other expenses and net profit.

Gross Profit Margin % = (Gross Profit ÷ Sales) × 100

During the year 2020-21 Gross Profit Margin has been increased in comparison to the previous year.

Net Profit Margin Ratio:

Net Profit is calculated by subtracting expenses including tax from the gross profit, showing what the business has earned (or lost) in a given period of time.

Net Profit= Gross Profit-Expenses with Tax:

Net Profit of the company in the year 2020-2021 has been increased in comparison to 2019-2020.
